International Filing Date: July 14, 2000

Title: STROBOSCOPIC DISPLAY DEVICE

STATEMENT OF FILING BY EXPRESS MAIL 37 C.F.R. SECTION 1.10

This correspondence is being deposited with the United States Postal Service on December 15, 2004 in an envelope as "Express Mail Post Office to Addressee" Mail Label Number ER 842 051 455 US addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

In response to the Notification of Missing Requirements dated October 20, 2004 in the above-captioned application, the undersigned states that an executed declaration of all inventors as well as the \$ 65 surcharge were previously submitted to the U.S. Patent and Trademark Office on November 21, 2002 in connection with the above-identified U.S. national stage application.

A copy of the executed declaration is attached, listing on the first page thereof the U.S. application number and U.S. national stage filing date, as well as identifying the international application number PCT/UA00/00024, filed 14.07.2000.

Also attached are copies of:

1. the return receipt postcard, stamped by the O.I.P.E. of the U.S. Patent and Trademark Office on November 21, 2002;

2. the check of \$ 65 for the small entity surcharge;
3. the fee transmittal for the surcharge check; and
4. the submission of missing parts;

each of which was dated November 21, 2002 and filed in the U.S. Patent and Trademark Office by the undersigned on November 21, 2002 via U.S. Express Mail, Express Mail Number ET 537 520 498 US.

In addition, as indicated on the stamped return receipt postcard, the November 21, 2002 submission of the executed declaration and surcharge was accompanied by a Information Disclosure Statement with a Form PTO-1449 and copies of the listed items of information.

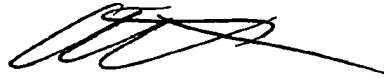

It is noted that the present Notification of Missing Requirements (copy enclosed) states that an Information Disclosure Statement was submitted by the applicant, although the Notification of Missing Requirements erroneously states that the Information Disclosure Statement was "filed on 02/21/2002". It is respectfully submitted that the acknowledgement by the U.S. Patent and Trademark Office of submission of the Information Disclosure Statement confirms receipt of the previously submitted executed declaration and surcharge which accompanied the Information Disclosure Statement filed November 21, 2002.

Accordingly, since the applicants, by the undersigned, have previously submitted the executed declaration and the \$ 65 surcharge due on or before the date of the Notification of Missing Requirements, it is respectfully submitted that the applicants have fully complied with the requirements for acceptance of the present national stage application under 35 U.S.C. § 371.

Entry and approval of the present copy of the executed declaration, as well as accordance of the appropriate filing date to the present national stage application based on the previous and timely submission of the executed declaration on November 21, 2002, are respectfully requested.

It is respectfully submitted that all appropriate fees have been previously submitted, and so no fees are currently due. In case of any deficiencies in fees by submission of the present response, the Commissioner is hereby authorized to charge such deficiencies in fees to Deposit Account Number 01-0035.

Respectfully submitted,

Anthony J. Natoli
